MEMORANDUM FOR: Deputy Director of Central Intelligence
FROM: Director of Central Intelligence
SUBJECT: Central America

1. This paper from [] makes a lot of sense and I think we should proceed ASAP in this general direction, particularly in getting more senior people focused on Central America and all of its ramifications.

2. The paper from [] while generally out of line and off the wall, does offer a working 24-point checklist (pages 5-7) on the kind of things which should be examined and explicitly acted on or dismissed.
